

ACC-MT-NAV1

1 Unit Multi-Mount Kit

The BSS ACC-MT-NAV1 is an accessory for installing an OMNI AVoIP product below a meeting table, or onto a wall or other surface. It provides a secure, screw-mounted connection that allows simple product removal if necessary. A detachable strain relief plate is included for securing cables into place.

In addition to under-table or surface mounting, the ACC-MT-NAV1 can be used for pole mounting, or installation onto a US or EU/UK electrical junction box. It also includes VESA 100 mm spacing for mounting behind a display. This accessory is compatible with the OMNI 600 and 300 Series, as well as the OMNI 200 Series.
